

Washington Township Environmental Commission

Build-A-Birdhouse Workshop

Saturday, April 22nd

11 AM to 1 PM

Washington Township Municipal Building Parking Lot

To register, call (856) 589-0520, x287

- Sized for small to medium birds, including
 - Chickadees, Finches, Wrens, Swallows, Nuthatches and more.
- Adults & children (age 7 and up with parent/guardian) are welcomed to participate
 - in a workshop to build a wooden house to celebrate Earth Day 2017.
- Tools required for assembly: hammer, safety goggles (recommended), pencil, ruler, a #2 square-drive screwdriver. We will have a couple extra tools, but please bring your own if you have them.
- Cost per birdhouse will be \$13.50, bring exact change or a check to the workshop.
 - We do not accept credit cards. Participation is limited.
 - The number of birdhouses available is 15.
 - Estimated time to complete is an hour.
- Please arrive on time at the parking lot, get your kit and start building!
 - If the weather doesn't cooperate, we'll build the houses in the large meeting room at the back of the Municipal Building.
