

WT Soccer's Spring Intramural Program is back!

Teams will be formed based on enrollment, with ages from U8 up to U15 (birth years 2010 thru 2017).

It will be a 6-week season, from April 6th thru May 18th
(games will be played on Sunday).
No standings will be kept. No playoffs.

Our goal is to provide TWP residents with an opportunity to continue to play soccer in the spring without the pressure of committing to the demands of a travel team.

Registration is open now thru March 9, 2025

The cost for Spring Intramural Soccer is $65
