MUNICIPAL BUILDING, P.O. BOX 1106, TURNERSVILLE NJ 08012

INSTRUCTIONS

A Zoning Verification Letter is a document provided by the Township to verify the current zoning of a particular piece of property, types of uses that are permitted in the zoning district, and any additional land use and/or zoning information specified in the form. The Zoning Verification Request Form must include contact information, address of the property in question, block, lot, existing use, and specifics of the request being made.

Zoning Verification Request is $50.00 per parcel. Payment is due at the time the Zoning Verification Request Form is received. Cash, checks or money orders payable to the “Township of Washington” are accepted.

Please allow ten (10) business days for processing of the request before inquiring on the status of the application, as this may delay the process.

Any request for copies of permits, certificates of occupancy, property maintenance violations, plans and resolutions and other documents must be submitted in the form of an Open Public Records Act “OPRA” request through the Office of the Municipal Clerk.
