ORDINANCE O004-2021

WASHINGTON TOWNSHIP
GLOUCESTER COUNTY

ORDINANCE ESTABLISHING CHAPTER 142 OF THE CODE OF THE TOWNSHIP OF WASHINGTON ENTITLED, "LICENSING OF MOTELS, AND TEMPORARY ACCOMMODATIONS"

WHEREAS, the Hotel and Multiple Dwelling Law, N.J.S.A. § 55:13A-1 et. seq. permits state and local enforcement measures to improve safety at hotels and motels; and

WHEREAS, municipal governments may reach beyond the basic state requirements to provide more stringent measures, especially when such measures are developed to protect the health and safety of transient guests as well as the general public under the municipal government's police powers; and

WHEREAS, N.J.S.A. *§* 40:48-1 and 40:48-2 invest in the municipality broad police powers to advance the public health, welfare and safety of the community; and

WHEREAS, N.J.S.A. *§* 40:52-1 and 55:13A-25(b) allows a municipality to enact licensing requirements for certain businesses including hotels, motels and certain multiple dwellings; and

WHEREAS, motels in the Township of Washington have proven to be a consistent and serious security problem, generating more than 3,000 calls for police service during the years 2010 through 2017 to control disturbances and make arrests for many varying types of criminal activity including narcotics, thefts and assaults; and

WHEREAS, the constant criminal activity taxes the police department and has required the Township to review additional safety measures that can be implemented to help reduce the number of calls for service to these motel locations; and

WHEREAS, in the Township of Washington, the governing body finds and determines that it is important for the safety of visitors to our community, as well as to control vice, disturbances and narcotics offenses, to require additional security measures to help reduce continual calls for service by the Washington Township Police Department; and

WHEREAS, over time, the use of Washington Township motels has evolved from transient occupancy to living conditions that more closely resemble apartment style living where such facilities are neither zoned nor equipped to sanitarily fit such purpose; and

WHEREAS, the Township of Washington has determined that a strong correlation exists between the length of stay of guests in these poor living conditions, outside the temporary, transient and proper use of a motel and increased criminal activity and need for police services; and

WHEREAS, limiting the length of stay of guests will help prevent crime by limiting the ability of a criminal element to establish their framework and system for illegal activity; and

WHEREAS, the governing body recognizes a balance between the Township's authority to protect the public against impeding personal privacy interests of the motel guests; and

NOW, THEREFORE, BE IT ORDAINED that new rules and regulations are appropriate to ensure the continual peace and good order of the community and to protect the transient guests visiting the Township of Washington, Gloucester County motels.
