CHALLENGER SPORTS LEAGUES

The Challenger Sports Leagues are established for children with special needs. These leagues are for any child that is mentally or physically challenged and wants to play sports. These leagues allow the children to play softball in the spring, soccer in the fall and basketball in the winter. These sports are made so the children have fun, meet new friends, are active and learn the fundamentals of each sport. If you have any questions, you can visit the challenger website at www.wtchallenger.org or contact Washington Township Parks and Recreation at 856-589-3227.

Challenger programs are open to WT residents as well as non-residents
