Incident Narrative

UPDATE TO A SOCIAL POST DATED SEPTEMBER 5, 2019

On Thursday, September 5, 2019, the Washington Township Police received a complaint regarding a sexual assault that had occurred at the Walmart Store. It was reported that an adult male inappropriately touched a 10 yr. old female twice while the child was shopping with her mother inside store. After being confronted by the child's mother, he left the area in a silver sedan. After gathering a description of the individual, along with still photographs from the stores surveillance system, we solicited the public's help, via social media, in identifying the subject. As a result, on September 7, 2019, the male came to our police headquarters to turn himself in.
